

General Terms: Change Healthcare LLC and/or one of its subsidiaries ("**Change Healthcare**") is the owner/licensor of InterQual® Coordinated Care ("**Clinical Content**") and related software (collectively, the "**Work**"). The Work contains confidential and trade secret information of Change Healthcare and is provided to licensees who have an existing license agreement in force only under the time-limited license as provided under that license agreement. Licensee and any recipient thereunder shall use the Work in accordance with the terms and conditions of the license agreement.

If You Have Been Provided Access for Evaluation Purposes: Change Healthcare is the owner/licensor of the Work. Change Healthcare has prepared the Work for exclusive use of its licensees of software applications embodying the Clinical Content. The Work contains confidential and trade secret information of Change Healthcare and, if you have been provided access to the Work for evaluation purposes only, is provided to you only under a nontransferable, nonexclusive license whose term is limited to the time frame set forth in the e-mail notification sent to you containing your access password. You and any recipient hereunder shall use the Clinical Content in accordance with the terms and conditions of this license and the e-mail notification. You are granted this license solely for the purpose of your internal evaluation of the Work as part of your decision whether to license the Work, and for no other purpose. You expressly agree to keep the Work confidential and not to release or disclose the Work to any other third person without Change Healthcare's express written permission. Further reproduction, including but not limited to the printing of any portion of the Work or results obtained as part of the permitted evaluation, adaptation, incorporation into other media, and release of the Work by you is strictly prohibited except upon prior written permission of an officer of Change Healthcare. Notwithstanding the foregoing, any copies or reproductions of the Work made by you during the limited evaluation term shall be destroyed and shall not be used for any purpose upon the expiration of the term.

Proprietary Notice: The Work is protected under United States and international copyright and other intellectual property laws. If this Work is delivered pursuant to a federal government contract that requires the conveyance of rights in data to the government, it is understood that the Work, including commercial software, clinical content, third-party software, documentation and/or other technical data, was developed exclusively at Change Healthcare's private expense, and that Change Healthcare will convey only limited or restricted rights in the Work to the government consistent with the guidance set forth in the Federal Acquisition Regulation ("**FAR**") and/or FAR Supplements. Conveyance of any additional rights beyond limited or restricted rights in the Work requires Change Healthcare's express consent contained in a separate written agreement.

© 2022 Change Healthcare LLC and/or one of its subsidiaries. All Rights Reserved.

No portion of this publication may be copied, reproduced, or incorporated into any other media without Change Healthcare's prior written consent.

Acknowledgments and Disclaimers: The Clinical Content is developed by Change Healthcare's clinical research staff which includes physicians, registered nurses, and other healthcare professionals. Many of Change Healthcare's clinical staff hold advanced degrees and case management certification. The Clinical Content is reviewed and validated by a national panel of clinicians and medical experts, including those in community and academic practice settings, as

well as within the managed care industry throughout the United States. The Clinical Content is a synthesis of evidence-based standards of care, current practices, and consensus from licensed specialists and/or primary care physicians.

The Clinical Content reflects clinical interpretations and analyses and cannot alone either resolve medical ambiguities of particular situations or provide the sole basis for definitive decisions. The Clinical Content is intended solely for use as screening guidelines with respect to the medical appropriateness of healthcare services and not for final clinical or payment determinations concerning the type or level of medical care provided, or proposed to be provided, to a patient.

THE WORK IS PROVIDED "AS IS". CHANGE HEALTHCARE DISCLAIMS ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING AS TO MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR SERVICE OF THE WORK, OR THE COMPATIBILITY OF OUTPUT USING THE WORK WITH ANY LAW, REGULATION, OR ORDER. IN NO EVENT SHALL CHANGE HEALTHCARE BE LIABLE FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES IN CONNECTION WITH, OR ARISING OUT OF, ANY USE OF THE WORK.

Trademarks: InterQual® is a trademark of Change Healthcare LLC and/or one of its subsidiaries. All other trademarks are the property of their respective owners.

Patents: This product may be covered by one or more pending or issued patents, for details visit: <https://www.changehealthcare.com/patents>.
